

Eberhard Karls Universität Tübingen, Germany

About the University

Tübingen is a traditional university city in central Baden-Württemberg, Germany. It is situated 30km south of the state capital, Stuttgart, and developed on both sides of the Neckar and Ammer rivers.

Innovative. Interdisciplinary. International. Since 1477. These have been the University of Tübingen's guiding principles in research and teaching ever since it was founded. With this long tradition, the University of Tübingen is one of the most respected universities in Germany. With over 28,000 students, including 4,165 international students, Tübingen a young and lively city of scientific and cultural exchange.
