Information about you: how we use it and with whom we share it

The information you provide will be used by the University to process your entry into the competition, to credit your photograph if it is published, and to process judging and prizes.

The University uses an external company to administer the competition. We use software called Woobox to accept entries to the competition. The app collects your data on the University's behalf; the photograph you enter in the competition, your name, student number, School, nationality, and a caption for your photograph.

You can find the privacy notice for Woobox here: <https://woobox.com/privacy>

We are using information about you because you give us your consent when you enter the competition.

Information about you will be shared with our selected competition partners, but only if your photograph is to be published, to allow them to credit your work.

We will hold your photo entry, name, and caption indefinitely or until you withdraw consent so that your work can be published and credited in line with the terms and conditions of entering the competition. All other personal data will not be stored for longer than 3 years.

We do not use profiling or automated decision-making processes.

If you have any questions, please contact global.comms@ed.ac.uk

Data controller and contact details
